Hi Janice you and Rocky been always closed to my heart coz your mother in law she always been good to me too. Anyway I think Barry is very honest and trustworthy person and I never think that he will do such thing to Fani. I don't know him yet that well but I think Barry is a person with word of honor. And with me I can always feel now after I learned so much dealing with different personalities. That's the reason why I retired doing business. I just want to help and share what I have on my own time. Anyway I know that you will take care of Fani. Thanks for that.

Cuz right now all our money is dumped in the studio, tv, magazine and show cmn up in Nov. Dont thnk we wld be able 2 afford that and with the deadlines stated in the contract.

Hi Janice Yes she is only 16 so I'm very careful of who she hang out. Not that I don't trust you guys is just I'm not comfortable that that sometimes you guys drink and I don't want her to get expose too much coz she still minor. Not that you guys will let her or what so ever. If there people drinking Make sure Iam around or some adult. Anyway I told you before and I tell you again that I trust. But I don't think you can blame me as a mother to be extra careful now a days coz of so many bad elements around us. That we never know even in school or everywhere you what I mean. Any way I am very fair and just in terms of trusting someone. I'll talk to Fani again. But about you and Rocky I have no hurt feeling or to anyone among your friends.
